Dear Jerry:

I did not receive your letter dated July 4th but I have received your letter dated July 9th. I would like you to send the transcript to the NAACP's office immediately by airmail. They will pay the delivery fee involved since this is in connection with the Martin Sostre case.

Have you received the \$10. which Barbara Morris was to have forwarded to you. You may not have heard from Martin because of the fact that he has been working on a habeas corpus petition. I have not heard from him for over a week and a half, however, in my next letter to him, I will mention that you have been writing him.

I hope that your hands are not bothering you too much and please let me know about any developments as to your parole. I look forward to hearing from you soon.

Sincerely,

Joan Franklin
Attorney
